

Universitätsklinikum  
Hamburg-Eppendorf

# ZMNH - SEMINAR

Topic: **Nanoscopic membrane compartmentalization in the axonal initial segment**

Speaker: **Prof. Dr. Helge Ewers**  
Institute of Chemistry and Biochemistry –  
Membrane Biochemistry, FU Berlin  
<http://www.bcp.fu-berlin.de/en/chemie/biochemie/research-groups/ewers-group/research/index.html>

Date: **Tuesday, May 23, 2017**  
2:00 pm

Place: **ZMNH**  
Center for Molecular Neurobiology  
Falkenried 94, 20251 Hamburg  
Lecture room (ground floor)

Host: **Dr. Marina Mikhaylova**  
RG Neuronal Protein Transport
