

## New call for doctorate & advanced researchers

### dynaMENT offers:

- Confidential one-to-one sessions with an experienced mentor
- Individual assessment, goal-setting including development plan
- Peer mentoring
- Career workshops
- Networking events

Take the opportunity to become a member of an exclusive career network. Benefit from the career expertise of other excellent researchers. Female\* members of the project partners are encouraged to apply.

(\*addresses everyone who feels targeted by the “dynaMENT Mentoring for Women in Natural Sciences” including trans, inter and non-binary candidates)

### Deadline for application:

**June 14th, 2026.**
