XXX. Annual Meeting of the Kind-Philipp-Stiftung für pädiatrisch-onkologische Forschung in Wilsede from June 7th until June 10th

Dear colleagues,

In 2017, our annual meeting has been scheduled for Wednesday, June 7th until Saturday, June 10th. The congress site will be – as usual – in Wilsede, Lüneburger Heide, Germany. This year, we will have three plenary speakers with Christine Harrison from Newcastle, Shai Israeli from Tel Aviv and Juerg Schwaller from Basel.

As last year, the registration fee for this meeting will be 120,00 € per participant. Payment of the registration fee(s) should be done by bank transfer to the indicated account before Tuesday, February 28th, 2017. On-site registration – even for short visits – can be made directly at the congress site in Wilsede, but will cost 150,00 €. However, an onsite registration does not guarantee for accommodation, since all reservations for accommodation in Wilsede and Undeloh have to be organized beforehand by the congress organization team.

For registration, please fill-out the accompanying registration form which should be then send before Tuesday, February 28th, 2017 to the congress secretary, either by Fax 0049 – 40 – 426051219 or by Email to buero@kinderkrebs-forschung.de.

In case you are planning to give a talk – which we appreciate – please fill out the abstract form and send it along with your registration to the congress secretary. The abstract form is a word-document that usually should not exceed a maximum of 1,200 characters. Abstract forms should be emailed to buero@kinderkrebs-forschung.de by Tuesday, February 28th, 2017.

With kind regards,

Prof. M. Horstmann Prof. M. Stanulla Prof. R. Marschalek Prof. O. Heidenreich
