

HCTI Monday Seminar

Two stories on lymphocyte biology:

I. The multilayered identity of B cell memory.

II. Unusual antigen receptor specificities of $\gamma\delta$ T cells.

Prof. Taras Kreslavskiy

Karolinska Institutet

May 26, 2025 | 5 – 6 PM

Hamburg Center for Translational Immunology (HCTI)
Ground Floor Room 02

Hamburg Center for
Translational Immunology
(HCTI)

Universitätsklinikum Hamburg-Eppendorf
