

## Research Profile Prof. Dr. Dietmar Kuhl

**Surname:** Kuhl  
**Given name(s):** Dietmar  
**Academic title:** Prof. Dr. phil.  
**Date of birth:** 1 February 1958  
**Sex:** male

**Affiliation:** Dept. of Molecular and Cellular Cognition,  
ZMNH  
University Medical Center Hamburg-Eppendorf  
**Address:** Martinistr. 52, 20246 Hamburg  
**Phone:** 040-7410-56277  
**Email:** kuhl@zmnh.uni-hamburg.de

**Current position:** Professor of Neuroscience (W3)  
Director of the Dept. of Molecular and Cellular Cognition

**Children:** one, age 14 yr  
**M(P)aternity leave:** —

### Academic education

1977 – 1983 Studies of Biology (Diploma), Johann-Wolfgang-Goethe University, Frankfurt/Main. Diploma work with Prof. Dr. H. J. Rhaese

### Academic degrees

1984 – 1988 Ph.D. thesis at the Institute for Molecular Biology, University of Zurich, Zurich (Switzerland) with Prof. Dr. C. Weissmann

### Professional experience

2008 - present Full Professor of Neuroscience (W3), Director of the Institute for Molecular and Cellular Cognition, ZMNH, UKE, University of Hamburg

2002 – 2008 Full Professor (C4) of Molecular Neurobiology and Animal Biochemistry, Faculty of Biology, Chemistry and Pharmacy, FU-Berlin

1994 – 2002 Research group leader at the Center of Molecular Neurobiology (ZMNH), University of Hamburg, Hamburg (Germany)

1991 – 1993 Research Associate at the Howard Hughes Medical Institute, Columbia University, New York (USA) with Prof. Dr. E. Kandel

1989 – 1991 EMBO Long-term fellow at the College of Physicians and Surgeons, Columbia University, New York (USA) with Prof. Dr. E. Kandel

### Other academic functions and honors

2014 – present Councilor of the Presidium of Hamburg University

2010 – present Deputy speaker of the Hamburg Center of Neuroscience (HCNS)

2009 – 2015 Director of the ZMNH

2007 – 2008	Member of the Board of Founding Directors of the Cluster of Excellence 'Neurocure' (FU-Berlin/HU-Berlin/Charité)
2007 - 2008	Councilor of the counsel of excellence (FU-Berlin)
2006 - 2008	Faculty of the Graduate School 'Mind and Brain' (HU-Berlin)
2005 - 2008	Member of the Medical Faculty of the Charité-University Medicine Berlin
2005 - 2008	Speaker of the Research Training Program GRK1123, Learning and Memory Consolidation in the Hippocampal Formation
2002 - 2005	Human Science Frontier Program, Project Leader
1994	Junior Research Group Award (BMBF)
1989	Recipient of a Long-Term Fellowship of the European Molecular Biology Organization (EMBO)
